Euclid's Lost Books.

"I was very much amused at the comment of a young friend who recently went up against the board of examiners for the naval service," said a Philadelphia man. "Speaking of the questions in geometry which were propounded to the boys, this youngster said in a dry way:

"History tells us that the old discoverer of the science of geometry, Euclid, who lived 300 years before Christ, wrote something like twenty books, which he called 'Elements,' and that of this number seven were lost. The examining board of the marine corps has found those books, for the questions it put to us two weeks ago clearly demonstrated that it dug up some theorems which had not been seen in the last 2,000 years.'"—Pittsburgh Dispatch.

Repelling Fire With a Drum.

A fire of a strange nature appeared in Wales in 1683. According to the most intelligible account concerning it now in existence, it came up from the sea near Harlech. At several places near that place and all over Merionethshire it did much damage, burning hay, houses, barns, etc. A person writing of it said: "The grass over which it moves kills all manner of cattle that feed upon it. But what is most remarkable is that any great noise, such as the beating of a drum or sounding a horn, effectually repels it from any house."

MARRIED MAN ACCUSED OF BREACH OF PROMISE

NEVADA PHYSICIAN ALLEGED TO HAVE SWINDLED PITTSBURG WOMAN

John M. Dunn, first assistant district attorney of Pittsburg, accompanied by J. E. Weber of the Pittsburg detective bureau, left San Francisco for Carson, last evening. In the Nevada capital they are to arrange for the extradition of Dr. Lawrence R. Knorr from Paradise valley, near Winnemucca, to their home city. Dr. Knorr is wanted in Pittsburg on a charge of having defrauded Edith Wellings of that city out of \$1600 under promise of marriage.

According to Attorney Dunn, the doctor is married and was living with his wife in Nevada when taken into custody by Weber.

SPLENDID TEAM WORK WINS FOR TONOPAHNS

GOLDFIELD DEFEATED BY TONOPAH IN SPIRITED GAME OF BASKETBALL

Goldfield went down to defeat at the hands of Tonopah to the tune of 49-12 in the fifth game of the season. This is the second game of the 1916 series and Tonopah has won one game and Goldfield one. Goldfield was slightly handicapped last evening, owing to the fact that Fitzgerald, their mainstay at the center position, was unable to be present and Ben Roos, who can not stretch quite as far as Fritz, took his place.

Tonopah was never in danger during the game at all, gaining a lead at the start which they maintained until the end. The score at half time was 23-8. Dynan was the biggest point getter for the locals and McCall for the visitors.

That Tonopah has two of the best guards in the state was certainly manifested last night in the manner in which O'Connell and Smith held down their opponents and at the same time passed to their forwards. The boys have been practicing for the last two weeks as diligently as possible and the team work developed by them during this period was the cause of their triumph last evening. The next game in the series will be played on the Goldfield court on the 12th of next month. A game with Austin will be scheduled as soon as weather conditions permit.

A large crowd attended the game and a very enjoyable dance followed.

BOOTH CASE ARGUED IN SUPREME COURT

DETERMINATION OF THE HABEAS CORPUS MATTER EXPECTED IN TEN DAYS

On return of the writ of habeas corpus in the case of W. W. Booth, the matter was argued yesterday at Carson City before the three justices, sitting en banc. The case of the state, wherein the district attorney of Nye county was the complaining witness, was conducted by Attorney General Thatcher, while the defendant was represented by Milton M. Detch and Platt & Sanford. The entire day was taken up in argument, when the case was submitted and taken under advisement. It is expected that the matter will be determined in about ten days.

Mr. Booth was present at the hearing, but it was not enforced, as counsel stipulated several days ago that it was not imperative that he go to Carson City. Mr. Booth is expected back tomorrow morning.

POLITICIANS SUED BY HOMER MOONEY

FORMER EDITOR OF THE NEVADA DEMOCRAT SUES PAPER FOR BACK SALARY

Several leading Democrats of Nevada are defendants in a suit brought by Homer Mooney, former editor of the Nevada Democrat, a Democratic weekly, who is suing for \$695, back salary.

The defendants are Sam Pickett, chairman of the Democratic state central committee, James T. Boyd, Charles Friedhoff and James D. Finch, all high in the councils of the Democratic party, and the Nevada Printing and Publishing company.

The plaintiff alleges that Pickett, Boyd, Friedhoff and Finch are "members of that unincorporated association and political organization known as the Democratic party in the state of Nevada," and that they are members of the state Democratic executive committee.

The Democrat subsequently suspended publication. The paper was supposed to have the backing of United States Senator Francis J. Newlands. The latter, however, withdrew.

SLED IN COLLISION WITH OLD PEDESTRIAN

RICHARD NOONAN SUSTAINS TWO BROKEN BONES WHEN STRUCK BY COASTERS

Richard Noonan, a miner over sixty years of age, and lame in the bargain, was struck by a sled on which two lads were coasting early last evening on Bryan avenue.

He heard the boys call out a warning, but did not know it was intended for him. Mr. Noonan was thrown violently on the icy street and his left leg was broken in two places. He was hurried to the Mine Operators' hospital, where the fractures were reduced by Dr. Grigsby and he is now doing very well. The boys who caused the accident are most deeply regretful.

AMUSEMENTS

BUTLER THEATER

Tonight at the Butler the World Film corporation presents a five part photo play, "The Family Cupboard," based on the well known Brady stage success of the same name. Holbrook Blinn plays the leading character in the story, a man who leads a double life, simply because his home life is uncongenial. He keeps a smart little vaudeville girl "up-town" and is found out by his son, who is captured by the scheming little stage person. When father and son discover that they are wasting their lives on a worthless object, they reform. Then the business man's wife resolves to abjure her society ways and make her home more attractive to her husband. So all ends happily, the family cupboard being finally cleared of its "skeletons." Mr. Blinn's part is a strong one, and he does it the amplest justice; the part of the girl is played by that charming young artiste, Frances Nelson, who has already successfully appeared in some of the World's features. The preliminary reel will be Pathe Weekly, which will be run ahead of the feature.

Tomorrow, Theda Bara, in "The Galley Slave," a Fox production and a George Ade comedy.
